

# More than a playgroup

## **No drama mamas.**

Our group provides a safe and fun environment for our children to play. It is a place where moms can share advice and develop friendships. We are open minded, easy going and fun loving.

## **A place for your children.**

We are active moms who love making friends for our children and ourselves. We build lasting memories, creative play, and social interaction.

*Moms need other moms.*

*Kids need other kids.*

## **You are welcomed.**

We welcome stay at home moms, working moms, childcare providers, first time moms and grandmothers.
